

Purpose

The purpose of this policy is to explain Travancore School's commitment to making sure every member of our school community, regardless of their background or personal attributes, is treated with respect and dignity. Travancore School strives to provide a safe, inclusive and supportive school environment for all students and members of our school community.

Policy

Definitions

Personal attribute: a feature of a person's background or personal characteristics that is protected by State or Commonwealth anti-discrimination legislation. For example: race, disability, sex, sexual orientation, gender identity, religion etc.

Inclusion and diversity

Travancore School is committed to creating a school community where all members of our school are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Travancore School acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others.

Travancore School will:

- ensure that all students and members of our school community are treated with respect and dignity
- ensure that students are not discriminated against and where necessary, are accommodated to participate in education and all school activities on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students.

Bullying, harassment and other forms of inappropriate behaviour targeting individuals because of their personal attributes will not be tolerated in our school community. Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, mental health workers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Travancore School will take appropriate measures, consistent with its *Student Engagement* policies to respond to discriminatory behaviour or harassment at our school.

Travancore School's purpose is to support and accommodate students with a recognised mental health disability. However, the school also understands that it has a special obligation

to make reasonable adjustments to accommodate students with all disabilities. A reasonable adjustment is a measure or action taken to assist all students to participate in their education on the same basis as their peers. Reasonable adjustments will be made for all students with any disability in consultation with the student, their parents or carers, their teachers and their treating practitioners. For more information about support available for students with disabilities, please refer to our school's *Student Engagement* policy.
