Inclusion and diversity

Travancore School strives to provide a safe, inclusive and supportive school environment which values the human rights of all students and staff.

Travancore School provides short-term educational intervention for students who are patients/clients of RCH Mental Health and Orygen Specialist Service. Students are recognized as having significant mental health issues requiring a tertiary mental health response.

Travancore School is committed to creating a school community where all members of our school are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Travancore School acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Travancore School we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Travancore School will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students.
- respond to complaints and allegations appropriately and ensure that students are not victimised.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated in our school community. We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* policy to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, mental health workers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Travancore School's purpose is to support and accommodate students with a recognised mental health disability. However, the school also understands that it has a legal obligation to make reasonable adjustments to accommodate students with all disabilities. A reasonable adjustment is a measure or action taken to assist all students to participate in their education on the same basis as their peers. Reasonable adjustments will be made for all students with any disability in consultation with the student, their parents or carers, their teachers and their treating practitioners. For more information about support available for students with disabilities, and communicating with us in relation to a student's disability, please refer to our school's *Student Wellbeing and Engagement* policy or contact the student's key teacher via the school office (Ph 9345 6053 or email Travancore.sch@education.vic.gov.au) for further information.
